

EU24h: Inclusive & High-Quality Education for All

A certified e-learning platform offering **1,000+ professional and language courses** – available 24 hours a day, anywhere in the world. Empowering learners, transforming lives.

CERTIFIED PLATFORM

LIFELONG LEARNING

VR INNOVATION

Who We Are

Our Mission: Education That Changes Lives

EU24h is more than an e-learning platform – it is a movement built on the belief that **education has the power to transform lives** and empower communities. We are passionate about Online Lifelong Learning and committed to making a measurable difference for every learner who joins us.

As a **Continuing Professional Training Organisation**, officially certified by the **Ministry of National Education, Children and Youth**, we collaborate with national and international institutions to deliver education that is truly inclusive, flexible, and built to the highest quality standards.

📅 Our platform is available **24 hours a day, 7 days a week** – learning on your schedule, not ours.

Our Core Values

→ Inclusion

Education accessible to everyone, regardless of background

→ Quality

Certified, professionally curated course content

→ Innovation

Pioneering VR immersive language learning

→ Growth

Personal and professional development for all

1,000+ Courses at Your Fingertips

Language Courses

The widest range of language courses starting from beginner level A1, taught by qualified native and expert instructors.

Professional Development

Practical skills courses designed to advance careers, improve workplace competencies, and unlock new opportunities.

Flexible & Efficient

Learn at your own pace with 24/7 access. Structured content designed for busy professionals and lifelong learners.

Platform Highlights

Why Learners Choose EU24h

EU Certified

Fully accredited by the Ministry of National Education, Children and Youth Luxembourg — your qualifications carry real, recognised value.

Live Teacher Support

Professional course learners can interact directly with teachers via our MEET virtual room, Monday to Friday, 8am–8pm.

24/7 Availability

Access your courses any time of day or night. Our platform never closes, fitting seamlessly into any lifestyle or time zone.

International Collaboration

We partner with national and international institutions to ensure our curriculum meets globally recognised standards.

★ THE BIGGEST INNOVATION

Virtual Reality Language Learning — A World First

The most groundbreaking feature of EU24h is our **Virtual Reality (VR) language immersion courses**. Unlike traditional online learning, our VR courses place learners **inside fully immersive language environments** — simulating real-world conversations, cultural situations, and everyday scenarios in the target language.

This total immersion approach accelerates fluency, builds confidence, and dramatically improves retention compared to conventional methods. It is the closest thing to **living abroad** — without leaving home.

9 Languages

Available in full VR immersion

Total Immersion

Real-world scenarios, real confidence

9 Languages, Infinite Worlds to Explore

Our VR immersion programme is available across **9 languages**, each designed to simulate authentic cultural and conversational environments. Whether you are a complete beginner or looking to refine your fluency, VR technology makes language learning a truly transformative experience.

Teacher Interaction: Real Support, Real Results

MEET Virtual Room

Our **MEET virtual room** gives professional course learners direct, scheduled access to qualified teachers – creating a blended learning experience that combines the flexibility of e-learning with the personal touch of classroom instruction.

- Available **Monday to Friday**, 8am to 8pm
- Real-time question and answer sessions
- Personalised guidance from expert instructors
- Ideal for professional development courses

The Blended Learning Advantage

Research consistently shows that learners who combine self-paced digital study with **live instructor interaction** achieve significantly better outcomes. EU24h's MEET room bridges this gap – giving you the best of both worlds.

Flexible Scheduling

Book sessions that fit your timetable

Expert Instructors

Qualified professionals in every subject

Progress Tracking

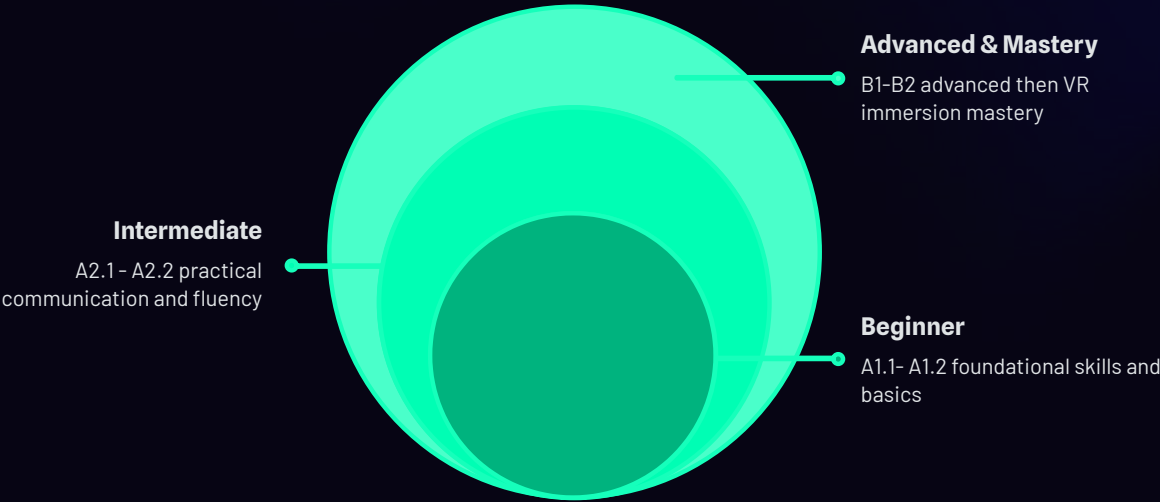

Monitor your development in real time

Language Courses

The Widest Range of Language Learning — Starting at A1

EU24h offers the **largest range of language courses for absolute beginners**, all structured from A1 level upwards in line with the Common European Framework of Reference (CEFR). Whether you are starting from scratch or building on existing knowledge, our courses provide a clear, progressive pathway to fluency.

Each language course is designed to develop all four key competencies: **reading, writing, listening, and speaking** — with immersive VR options available for the deepest learning experience.

Professional Development

Skills That Open Doors

Beyond language learning, EU24h provides a comprehensive suite of **Professional Development Skills** courses designed to equip learners with the competencies demanded by today's workplace. From leadership and communication to digital skills and project management, our curriculum is built to accelerate careers and broaden professional horizons.

1

Career Advancement

Courses aligned with industry needs, helping learners step confidently into new roles and responsibilities.

2

Digital Competencies

Master essential digital tools, platforms, and workflows that are now fundamental to modern professional environments.

3

Soft Skills Mastery

Develop communication, leadership, teamwork, and problem-solving skills valued by employers across every sector.

4

Certified Achievement

Receive officially recognised certifications that validate your skills and demonstrate your commitment to professional excellence.

Grow With Us: Join the EU24h Affiliate Network

EU24h offers a rewarding **Affiliate Programme** that allows individuals, educators, businesses, and institutions to partner with us and earn by sharing the value of quality education. Whether you are an influencer, a blogger, a training provider, a career coach, an NGO, or a corporate partner, our affiliate structure is designed to generate meaningful income while expanding access to learning. Our programme is open to anyone who believes in the power of education and wants to monetise that belief in a transparent, flexible, and rewarding way.

By promoting EU24h courses through your own networks, you not only earn competitive commissions — you actively **contribute to a global mission** of inclusive, lifelong education. With learners in over 50 countries and a growing library of accredited courses, EU24h's reach means your referrals have real impact. Every person you bring to our platform is a step toward a more skilled, empowered, and connected world — and a step toward greater earnings for you.

How It Works

01

Sign Up

Register as an EU24h affiliate partner — fast, free, and simple. The entire onboarding process takes just a few minutes, and you'll receive immediate access to your personalised affiliate dashboard.

02

Share Your Link

Promote our courses via your website, social media, email newsletters, or professional network. We provide you with ready-made creative assets, banners, and tracking links so you can get started without any technical expertise.

03

Earn Commissions

Receive competitive earnings for every learner who enrolls through your referral. Commissions are tracked in real time via your dashboard, giving you full transparency over your performance and payouts.

04

Make an Impact

Help spread quality education — and grow your income simultaneously. The more learners you inspire to join EU24h, the greater your earnings and the wider your contribution to accessible, lifelong learning globally.

Who Can Join?

Content Creators & Influencers

Monetise your audience by recommending courses your followers will love. Whether you operate on YouTube, Instagram, LinkedIn, or a personal blog, your reach becomes a powerful tool for change and income.

Businesses & Corporates

Offer EU24h as an upskilling resource to your employees or clients and earn as you invest in professional growth. Our corporate affiliate tier includes dedicated account support and enhanced commission rates.

Training Centres

Supplement your in-person offerings with EU24h's online curriculum and generate additional revenue streams. Our affiliate tools integrate easily into existing training operations of any scale.

Educators & Trainers

Extend your professional footprint by recommending EU24h to your students and peers. Complement your own teaching with world-class online content and earn commissions as you do.

NGOs & Non-Profits

Align your social mission with ours by connecting your communities to quality, affordable education. NGO partners benefit from flexible arrangements and a shared vision of equitable learning access.

Career Coaches

Recommend EU24h courses as part of your clients' development plans and earn while helping them grow. Enhance your coaching practice with a trusted, accredited learning platform your clients will appreciate.

What You Earn

The EU24h Affiliate Programme is more than a revenue stream — it's an invitation to be part of something bigger. When you promote quality education, you help individuals unlock new careers, build confidence, and transform their futures. **Join us today, grow together, and let's make world-class education accessible to everyone, everywhere.**

Affiliate Benefits

Why Partner With EU24h?

Trusted Brand

Promote a Ministry-certified platform with a proven track record, giving your audience full confidence in the quality of what you recommend.

Competitive Earnings

Our affiliate commission structure is designed to reward partners generously, with transparent tracking and reliable, timely payouts.

1,000+ Courses to Promote

With over 1,000 courses across languages and professional development, there is always something relevant for every audience you serve.

Social Impact

Education as a Force for Integration & Social Value

At EU24h, education is never purely transactional. Our mission is deeply rooted in **social value and community impact**. We actively work to promote the integration of individuals into society through the exchange of experiences, the transmission of knowledge, and the creation of opportunities that go beyond the classroom.

By making quality learning accessible to everyone — regardless of age, background, or geography — EU24h plays an active role in building a more **equitable, connected, and skilled society**.

Social Integration

Supporting learners in building new connections and belonging

Knowledge Exchange

Fostering cross-cultural understanding and shared learning

Value Creation

Generating lasting economic and personal value for people and communities
